

WASTE MANAGEMENT

GARABAGE &

RECYCLING CART

PICK UP!

INFORMATION:

The Village of Brownsville will continue garbage & recycling pick up with Waste Management until Wednesday, December 28th. After this pick up, please leave all carts out at the curb so they can be taken by Waste Management between the dates of the 28th-30th. We will then start our new service with Harter's Disposal on Wednesday, January 4th. Calendars for pick ups through the 2023 year were given to each home and can also be found on our Village website or at the Clerks office. Thank you!
