Pine Hill Park

The Michels' Family has graciously donated land at 718 Evergreen Dr. so that the Village may have a new park! In addition, the Barbara & Peter Stone Family Foundation Inc., the Fond du Lac Area Foundation "Robert & Elaine Middleton Fund", Water Quality Improvement Inc./Culligan Water Conditioning, and Broeske Management Asset LLC have all made generous donations to the Village for playground equipment. The Village Park Advisory Committee is looking at playground equipment with the hopes of having it in place this spring. Our Village is proud of the recreational opportunities within our community, much of which has been made possible by generosity such as this. How fortunate we are!

LET'S GET BACK TO THE BASICS OF RECYCLING.

Remember these three simple rules each time you recycle:

Recycle clean bottles, cans, paper, and cardboard.

Keep food and liquid out of your recycling.

No loose plastic bags and no bagged recyclables.

Please space your garbage and recycling carts **3 feet apart**, with the front of the cart facing the street. This helps the automated trucks not knock over the carts.

All garbage and recyclables need to be placed into the carts, including cardboard.

Contact WM Customer Service @ 888-960-0008 to request an extra pickup for large amounts (charges may apply)
